Dear Ms. Goodwin:

The Department has completed its review of your January 3, 1990 response in the above matter. Accompanying your response were copies of receipts and invoices made out to Carl Gulick and/or R&R Sanitation for liquid wastes.

Based on the foregoing the Department requires that you furnish the following information:

To the extent that you have not already done so, please provide all documentation relating to the generation, treatment, transport, storage and disposal of the wastes including without limitation, copies of all invoices, manifests, internal memoranda, correspondence, ledger entries and laboratory analyses.
